The SCI Hope Fund (a fund of the Hendricks County Community Foundation*) was founded in 2009 to assist individuals with spinal cord injuries. The fund was inspired by the experiences of John Wassen from Brownsburg, Indiana, who suffered a fall in August 2007 leaving him paralyzed from the chest down. Funds raised at this event will allow grants to be provided to spinal cord injury patients for equipment, home renovations and other needs that will help them gain independence... one step at a time.

*The Internal Revenue Service has declared the Hendricks County Community Foundation a 501(c)(3) organization and contributions are tax-deductible as allowable by law.
